

The new innovative skin clinic which opened at Nariman Point, South Mumbai is the brain child of Dr. Geeta Oberoi, a certified dermatologist and cosmetologist with a strong medical background and a passion for skincare and beauty. Skin & You Clinic is equipped with state-of-the-art, FDA-approved world class technology focused on non-invasive treatments, so that pain and safety concerns associated with skin treatments can now be a thing of the past.

Dr. Geeta Oberoi completed her Diploma in Practical Dermatology from the Cardiff University in the UK, followed by Board Certification at American Academy of Aesthetic Medicine. She is also a member of several societies namely American Academy of Aesthetic Medicine, Lasercon.

So, when you walk through the doors of this

SURFACE ÉLAN

pristine beauty hub, you can only expect a spread of new technology and treatments. While you experience a fresh approach to cosmetic procedures like Botox and fillers, being in the hands of a dermatologist means your medical skin conditions like acne, rosacea and dermatitis are also well looked after. Let her do the worrying, while you enjoy fabulous skin!
