Dear Doctor,

It gives us immense pleasure to invite you to a get together of Alma India Users.

Being a **CUSTOMER CENTRIC** organisation, we welcome and respect the suggestions of our Alma Family customers, who asked for a get together of users to share their knowledge and experience.

The field of Aesthetic Dermatology has grown very rapidly and every dermatologist is eager to master it. Hence it's a wonderful opportunity to share your experiences, so as to optimise usage of ALMA Systems.

We are proud to announce that, on this occasion, Dr Joseph Lepselter, Clinical Director, Alma Lasers will be with us. He is well known clinical expert and he will share his experience and clear our doubts.

Alma Lasers, Introduces new technologies for our existing users :

- "Sweat X" - Hyperhydrosis
- Dye F (fungus) Hand piece for the Harmony family
- New Large Spot Size Diode Hand piece (Lesser Weight also) for the Soprano Family.
