Beauty consultant Manasi Bhakade states, "Always begin day makeup with a sunblock (at least SPF 30), followed by a light oil-free foundation or BB/CC cream. Shadow and mascara on your eyes and a nourishing lip tint later, you are good to face the day." According to senior makeup artist, Somic Sarwate, one should choose makeup that blends well with the skin and doesn't feel heavy.

Use concealers
Dr. Goeta Oberoi, dermatologist, says, "Use mineral-based makeup and keep your base to a minimum. Rather than using heavy foundation, use concealers to get a flawless face."

Do a double cleansing
Removing makeup is a must before you

Be scorching hot at parties this summer

Debarati.Sen@timesgroup.com

With Mumbai summer refusing to bow out, we are left to deal with a rather long stint of heat and humidity. But are you letting it affect your social life, or rather, 'look'? Here are a few tips to keep in mind when stepping out for a party this summer...

Keep it simple
Beauty consultant Manasi Bhakade states, "Always begin day makeup with a sunblock (at least SPF 30), followed by a light oil-free foundation or BB/CC cream. Shadow and mascara on your eyes and a nourishing lip tint later, you are good to face the day." According to senior makeup artist, Somic Sarwate, one should choose makeup that blends well with the skin and doesn't feel heavy.

Use concealers
Dr. Goeta Oberoi, dermatologist, says, "Use mineral-based makeup and keep your base to a minimum. Rather than using heavy foundation, use concealers to get a flawless face."

Do a double cleansing
Removing makeup is a must before you

Use a concealer and then apply a hydrating base that matches your skin tone.
Use a light-brown or coral-toned blush.
Apply highlighter on your brow bone, cheeks and in the inner corner of your eyes.
A warm eye-shadow will enlarge and brighten your peepers.
Line your eyes with smudge-proof kohl.
Curl your lashes; apply a coat of mascara.
Now apply a bright lipstick.

hit the sack. "Do a double cleansing procedure to unclog pores — a cleanser followed by medicated face wash," says Dr. Oberoi. If you have oily skin, do not work your skin too much because it will end up making your skin more oily.

Close pores
You must use an alcohol-free toner after every wash to close open pores.

If you sweat a lot...
"Use lotions containing aluminum chlorohydrate. It works as an antiperspirant. However, in some cases, it can cause skin irritation. So, ask your dermatologist first," Dr. Oberoi explains.

Use the right makeup
Dr. Sama Rais, dermatologist and cosmetologist, advises using makeup that is "non-comedogenic" or "non-acnegenic" — it won't clog pores or cause pimples.

Home remedies
Dr. Poonam Wadhvani, cosmetic dermatologist, suggests, "Wear dark colours that hide sweat patches. For dark circles, try home remedies like applying cool tea bags on the eyes for 15 minutes or applying cucumber juice and potato juice."
